Greg,

We were originally working with the City-of-Grand Prairie's Planning Department and they referred our GIS/Plat Map request to the County at the last minute.

Greg,

Dallas County did not provide a plat map as originally thought. Getting the map has been an issue from the start. They want to sell us copy for \$50k due copyright issues. The attached map is a close as we can get at this point.

Let me know if you have questions or comments.

Thanks, Jeff

If you could get me a plain plat map or at least one with just the streets with the sunburst laid over it?
